

St Oliver Plunkett's NS

Our Self-Evaluation Report and Improvement Plan

1. Introduction

This document records the outcomes of our last improvement plan, the findings of this self-evaluation, and our current improvement plan, including targets and the actions we will implement to meet the targets.

1.1 Outcomes of our last improvement plan from 2012 to 2016

- Literacy: Improved teaching of reading fluency, more focussed whole school approach to the teaching of Oral English, whole school consistent approach to the teaching of writing genres, cursive handwriting introduced throughout the whole school, literacy in-class station teaching, addressing differentiation in our practice, improved overall Sten score in literacy, DEAR time embedded in our practice.
- Numeracy: improved teaching of tables, whole school focus on problem solving and mathematical language, maths resources for classrooms to encourage independent learning, improved overall Sten in numeracy
- ICT: I pads and laptops purchased and timetabled for all classes. CPD undertaken. System is set up and used, However we are currently evaluating how we use them. We want to integrate digital learning more in our classrooms so that it enhances the learning.
- SPHE/Well Being: reviewed our plan, introduced mindfulness, CPD on mindfulness undertaken

1.2 The focus of this evaluation

We undertook self-evaluation of teaching and learning during the period *March 2012 to June 2016*. We evaluated the following aspect(s) of teaching and learning:

- Teaching methodologies: facilitation of differentiation
- Team teaching, in class support and station teaching in literacy

2. Findings

2.1 This is effective / very effective practice in our school

List the main strengths of the school in teaching and learning.

- Numeracy/Literacy: Pupils enjoy their learning, are motivated to learn and expect to achieve as learners Pupils' enjoyment in learning is evident and is often linked to a sense of making progress and of achievement. Pupils see themselves as learners and demonstrate this in their positive approach to class work and homework. Pupils' achievement in summative assessments, including standardised tests, is in line with or above realistic expectations.
- Well Being: SPHE plan developed, Weaving Well being Programme introduced in 4th class, Friends for Life introduced in 5th class, mindfulness introduced, food dudes programme completed, Marathon Kids programme embedded, Run a Mile introduced
- Pupils' experiences as learners generally reflect well on how the code of behaviour is understood and implemented. We have very well behaved students willing to learn.

2.2. This is how we know

List the evidence sources. Refer to pupils' dispositions, attainment, knowledge and skills.

- Standardised test scores:
- Parent, pupil, teacher Questionnaires
- Feedback from focus groups
- Feedback from Parents

2.3 This is what we are going to focus on to improve our practice further

Specify the aspects of teaching and learning the school has identified and prioritised for further improvement. Some of the list below are new areas of focus, some are a continuation of previous focus areas to embed teaching and learning practices already in place.

- **Familiarisation and implementation of the New Primary Language Curriculum**
- **Music to include the development of the school plan and to promote the teaching of music in each class**
- **Assessment: develop consistent approach to assessment in terms of assessment of learning and assessment for learning**
- **Differentiation: to build on our current practice**
- **Numeracy: to build on our current practice (problem solving, tables, mathematical language, data)**
- **Literacy: to build on our current practice (reading fluency, handwriting, writing genres)**
- **Well being/SPHE: to ensure the Curriculum area of SPHE is covered to include Stay Safe, RSE and Walk Tall, Mindfulness to become routine in our classes, continuation of the Friends for life programme in 5th class, the Weaving Well being programme in 4th class to be extended to 3rd class in 2018/2019 with further introduction in other classes in 2019/2020, continuation of healthy eating, encouragement of exercise through marathon kids programme and Run a mile**
- **Digital learning: to ensure digital learning permeates lessons rather than being an added activity, ISM leaders to support staff in this.**

3. Our improvement plan

On the next page we have recorded:

- The **targets** for improvement we have set
- The **actions** we will implement to achieve these
- **Who is responsible** for implementing, monitoring and reviewing our improvement plan
- How we will measure **progress** and check **outcomes**(criteria for success)

As we implement our improvement plan we will record:

- The **progress** made, and **adjustments** made, and **when**
- **Achievement of targets** (original and modified), and **when**

Our Improvement Plan

Timeframe of this improvement plan is from October 2018- June 2020

Targets	Actions	Persons / groups responsible	Criteria for success	Progress and adjustments	Targets achieved
---------	---------	------------------------------	----------------------	--------------------------	------------------

<ul style="list-style-type: none"> Implementation of the New primary Language Curriculum 	<ul style="list-style-type: none"> Planning template finalised English: Oral language, reading and writing implemented by Halloween Gaeilge : Oral language, leitheoireacht agus sribhneoireacht implemented by January 2019 	<p>Mr Callaghan Mrs Murphy All teachers</p>	<p>Template is used and is in use as a live document Resources purchased and in use (digital, big books, posters, Starlight Programme)</p>	<p>Review: Halloween, January 2019 and May 2019 Adjustments made if needed Development of English and Irish school plans to reflect New primary language Curriculum (June 2019) Whole school CPD Nov 2018 (PDST)</p>	<p>The teacher has the requisite subject knowledge, pedagogical knowledge and classroom management skills in relation to the teaching of the New Primary language Curriculum</p>
